Looking for Service Technicians

What are we looking for: Are you service technician paid hourly and not rewarded for getting the job done? Are you paid commission but have to pay for and provide your own vehicle, uniforms, gas and maintenance? Have it both ways... We pay a highly competitive pay-for-performance while providing your service van, fuel, maintenance, uniforms, insurance, iPad, iPhone, & customers you just provide basic tools, customer-focused attitude and experience fixing appliances.

Who are we: Family owned and operated for over 40 years, De Anza Appliance provides a trained office staff that prepares you for success completing the call in the first visit through prescreening of parts. When customers notice you do a great job and shout on social media or speak with the office you're rewarded with customer service bonuses. Your new career change comes with full benefits including medical, dental, vision, employee purchase program, and bonuses for customer service recognition. Here's the best part 21 paid off between vacation, sick, and holiday time.

Here's what you need: 2+ years' experience in the field as an appliance repair technician (or 1+ years' experience with equivalent technical or trade school), basic understanding of electrical, HVAC, and plumbing, a high school diploma (or equivalent), a clean driving record and background check. Our next technician should be familiar and comfortable with Electrolux, GE, Insinkerator, and Whirlpool families of products and can tackle cooking, laundry, and refrigeration appliances (the wet, the hot, and the cold stuff!). The best candidates will have experience with boutique, high-end, and import brands.

Minimum Qualifications: High School Diploma or equivalent and one of the following:

- 1 year experience as an appliance service technician and appliance or technical trade school graduate.
- 2 years' experience as an appliance service technician.

Competence with online, illustrated parts look-up and mobile technology. Ability to compute basic arithmetic, algebra and geometry. Excellent oral and written communication skills. Maintain a class "C" driver's license in good standing. Experience working on major brands including Electrolux, GE, Insinkerator, and Whirlpool family of products.

Desired Qualifications: Associates Degree. Top candidates will have experience with all major household appliances (cooking, dishwashers, food disposal, laundry, refrigeration, ventilation) and a variety of brands especially but not limited to: Bosch, Broan, Capital, Dacor, DCS, Fisher & Paykel, LG, Miele, NuTone, Speed Queen, Samsung, Sub-Zero, Thermador, Viking, Waste King, Wolf and Zephyr. Ability to handle eight or more service calls daily and to work occasional weekends. Sealed system certification and multi-lingual highly desirable.
